ABOUT ME

I am a computer engineer passionate about technology and innovation, with experience in software development and agile methodologies. I have solid skills in several programming languages. I'm looking for a chance to contribute to challenging and high-impact projects, delivering exceptional results as a team. Available for new opportunities!

EDUCATION AND TRAINING

08/2016 – 11/2020 Felgueiras, Portugal

COMPUTER ENGINEERING STUDENT Escola Superior de Tecnologia e Gestão do Politécnico do Porto

Address Rua do Curral, Felgueiras, Portugal | **Website** <https://www.estg.ipp.pt/> | **Level in EQF** EQF level 6

WORK EXPERIENCE

SOFTWARE ENGINEER – POLARISING – 04/2025 – Current – LISBON, PORTUGAL

Responsible for the design, development, and deployment of MuleSoft integrations connecting Salesforce, Shopify, Sage, and other enterprise systems. Built scalable APIs and automated business processes to ensure seamless data flow between platforms, implementing best practices in API design, error handling, and performance optimization. Managed continuous integration and continuous deployment (CI/CD) pipelines to automate testing, building, and deployment of MuleSoft applications, ensuring reliable and efficient delivery.

EXPERIENCED PROGRAMADOR – DELOITTE – 09/2022 – 03/2025 – PORTO, PORTUGAL

I have a solid experience in integration projects in the telecom industry and education, using a variety of TIBCO and MuleSoft products. During this period, I gained knowledge and experience with various technologies essential for project development and transformation. I was involved in international projects in which I had the opportunity to work with the following technologies:

- Gitlab and Bitbucket for version control and code management;
- Jenkins to automate the creation of workflows (pipelines) that allow code to be compiled, tested and validated automatically whenever there are changes in the repository;
- Kong used as API gateway;
- REST, SOAP, JMS and Java;
- Workato for process integration and automation;
- Experience of working with teams from different areas of the business, including direct contact with client teams;
- JIRA for integrated task planning and management, using agile methodologies;
- Confluence for creating documentation pages related to the project, including data analysis, technical analyses, among others.

It was here that I also had the opportunity to become certified in a number of technologies, such as:

- MuleSoft
- Workato
- Agile
- Apache Kafka

PROGRAMMER – FLUXODATA APLICAÇÕES INFORMÁTICAS LDA. – 09/2020 – 08/2022 – GUIMARÃES, PORTUGAL

Creation of a web application for operators of textile companies to have personalised information of the machines on the shop floor. Maintenance and development of databases, machines and desktop and web applications developed within the scope of MES (Manufacturing Execution System) software created mainly for textile companies in the northern region of the country.

I acquired several skills during these projects, among which:

- Development of web APIs and web services in .Net C#;
- Development and maintenance of web applications in Angular, HTML, Javascript, Typescript, CSS;
- Communication, development and maintenance of SQL and MySQL databases;
- Experience with Git technology, for version control and software development management;
- Assistance and requirements gathering with the client;
- Teamwork and training/management of trainees.

INTERN – OLIFEL – 02/2020 – 08/2020 – FELGUEIRAS, PORTUGAL

The internship project consisted in the creation of a platform that allows the technicians of the company Olifel an easy, simple and fast way to distribute new versions of their ERP (VisualGest.NET) to their customers. A web application in Vue.js, a desktop application in ASP.NET and a database in SQL were developed.

SKILLS

Angular | JavaScript | TypeScript | HTML | CSS | ASP.NET | C# | REST | Postman | JSON | XML | Java | Jira | Git | MuleSoft | SQL | Apache Kafka

LANGUAGE SKILLS

Mother tongue(s): **PORTUGUÊS**

Other language(s):

	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken production	Spoken interaction	
INGLÊS	C2	C2	C1	C1	B2

Levels: A1 and A2: Basic user; B1 and B2: Independent user; C1 and C2: Proficient user

DRIVING LICENCE

Driving Licence: B
